

Cody Wenrich

Engineer Intern, Project Leader, & budding Full Stack Engineer

Amherst, OH 44001

cwenrich13@gmail.com

+1 440 213 1947

I am a professional that excels at team work and bringing a can-do attitude to the office. Currently working as a Project Leader managing interdisciplinary teams execution of product development and supplier transitions mainly.

Concurrently I am taking CWRU code camp and developing programming skills beyond what I have self taught and in a more formal setting.

I have a GitHub profile that include some work I have done in the past and will include the work I am doing in this code camp.
